<b>Foreword</b> .....	v
<b>Preface</b> .....	vii
<b>Acknowledgments</b> .....	ix
<b>Part I Introduction</b>	
<b>1 Epidemiology of Urinary Incontinence</b> .....	1
Marie Carmela M. Lapitan	
<b>Part II Current Concepts on Anatomy and Physiology</b>	
<b>2 Neurophysiology of Micturition: What's New?</b> .....	17
Apostolos Apostolidis and Clare J. Fowler	
<b>3 Continence: Bladder Neck versus Mid-Urethra</b> .....	35
Matthias Oelke and Jan-Paul Roovers	
<b>4 Pelvic Floor: Three-Dimensional Surgical Anatomy</b> .....	41
Ardeshir R. Rastinehad and Gopal H. Badlani	
<b>5 Pelvic Floor Prolapse: Cause and Effect</b> .....	53
Matthew A. Barker and Mickey M. Karram	
<b>6 Hormonal Influences on Continence</b> .....	65
Dudley Robinson and Linda Cardozo	
<b>Part III Management of Stress Urinary Incontinence</b>	
<b>7 Pelvic Floor Rehabilitation</b> .....	87
Kari Bø	
<b>8 Pharmacotherapy of Stress Urinary Incontinence</b> .....	99
David Castro-Diaz and Sergio Fumero	
<b>9 Radio Frequency Therapy for the Treatment of Female Stress Urinary Incontinence</b> .....	109
Roger R. Dmochowski and Emily Cole	

<b>10</b>	<b>Surgery for Stress Urinary Incontinence: Historical Review.....</b>	117
	Matthew P. Rutman and Jerry G. Blaivas	
<b>11</b>	<b>Surgery for Stress Urinary Incontinence: Open Approaches .....</b>	133
	Meidee Goh and Ananias C. Diokno	
<b>12</b>	<b>Surgery for Stress Urinary Incontinence: Minimally Invasive Procedures.....</b>	149
	Eric A. Hurtado and Rodney A. Appell	
<b>13</b>	<b>Surgery for Stress Urinary Incontinence: Midurethral Slings .....</b>	165
	Demetri C. Panayi and Vik Khullar	

#### **Part IV Management of Urge Incontinence**

<b>14</b>	<b>Behavioral Treatments for Urge Incontinence.....</b>	179
	Howard B. Goldstein and Kristene E. Whitmore	
<b>15</b>	<b>Pharmacotherapy of Urgency Incontinence.....</b>	191
	Martin C. Michel	
<b>16</b>	<b>Alternative Therapies for Urinary Urgency Incontinence: Acupuncture and Herbology.....</b>	203
	Sarit O. Aschkenazi and Peter K. Sand	
<b>17</b>	<b>Sacral Nerve Stimulation for Neuromodulation of the Lower Urinary Tract.....</b>	217
	Dennis J. A. J. Oerlemans and Philip E. V. Van Kerrebroeck	
<b>18</b>	<b>Peripheral Neuromodulation for the Treatment of Overactive Bladder.....</b>	227
	Anurag K. Das	
<b>19</b>	<b>Surgery for Urge Urinary Incontinence: Cystoplasty, Diversion.....</b>	231
	Petros Sountoulides and M. Pilar Laguna	
<b>20</b>	<b>Botulinum Toxin: An Effective Treatment for Urge Incontinence .....</b>	257
	Arun Sahai, Mohammad Shamim Khan, and Prokar Dasgupta	

#### **Part V Management of Pelvic Organ Prolapse**

<b>21</b>	<b>Conservative Management of Pelvic Organ Prolapse: Biofeedback and Pessaries .....</b>	277
	Jill Maura Rabin	
<b>22</b>	<b>Surgery for Pelvic Organ Prolapse: An Historical Review .....</b>	301
	Baharak Amir and Alfred E. Bent	
<b>23</b>	<b>Biomaterials: Natural and Synthetic Grafts .....</b>	313
	Kaytan V. Amrute and Gopal H. Badlani	
<b>24</b>	<b>Pelvic Reconstructive Surgery: Vaginal Approach.....</b>	329
	Daniel Biller and G. Willy Davila	

Contents	xiii
<b>25 Pelvic Reconstruction: Abdominal Approach.....</b>	341
Lawrence R. Lind and Harvey A. Winkler	
<b>26 Laparoscopic Sacrocolpopexy: Indications, Technique and Results .....</b>	355
Jens J. Rassweiler, Ali S. Goezen, Walter Scheitlin, Christian Stock, and Dogu Teber	
<b>27 Posterior Compartment Repair and Fecal Incontinence.....</b>	367
Gil Levy and Brooke H. Gurland	
<b>Part VI Management of Male Incontinence</b>	
<b>28 Primary Urge Incontinence.....</b>	393
Craig V. Comiter	
<b>29 Pharmacotherapy of Male Incontinence .....</b>	411
Peter Tsakiris and Jean J.M.C.H. de la Rosette	
<b>30 Treatment for Male Incontinence: Historical Review.....</b>	423
Drogo K. Montague	
<b>31 Treatment for Male Incontinence: Surgical Procedures (Post-TURP/RRP) .....</b>	433
Rajeev Kumar and Ajay Nehra	
<b>Part VII Special Situations</b>	
<b>32 Current Concepts and Treatment Strategies for Genitourinary Fistulas.....</b>	453
Gamal M. Ghoniem and Carolyn F. Langford	
<b>33 Urologic Consequences of Pelvic Irradiation in Women .....</b>	461
Mary M.T. South and George D. Webster	
<b>34 Recurrent Incontinence.....</b>	469
Jørgen Nordling	
<b>35 Multioperated Recurrent Incontinence/Prolapse .....</b>	475
Giacomo Novara and Walter Artibani	
<b>36 Voiding Dysfunction after Female Anti-Incontinence Surgery.....</b>	493
Priya Padmanabhan and Victor W. Nitti	
<b>Part VIII Social Aspects of Incontinence</b>	
<b>37 Economic Impact of Stress Urinary Incontinence and Prolapse: Conservative, Medical, and Surgical Treatments .....</b>	511
Lynn Stothers	
<b>38 Community Awareness and Education.....</b>	521
Diane K. Newman	
<b>Index.....</b>	533
